

SINGLE VISIT DENTISTRY

A 'FIRST-CLASS' PATIENT JOURNEY

THE 'NEW NORMAL'

At this critical time, patients and staff need reassurances they are in a professional and effective environment.

Embrace the 'new normal' and prepare your practice for the next generation of digital dentistry.

TIME TO CHANGE?

CONVENTIONAL DENTISTRY

- Provide technology-driven solutions to integrate flexible workflows into your practice.
- Reinforced with robust SOPs*, maximise your workflow and deliver treatments in a single visit.
- Adapt, Adopt and Prosper.

*Standard Operating Procedures

Multiple patient visits
Drawn out procedures
Increased costs
Reduced revenues

CEREC DIGITAL DENTISTRY
Single visit treatment

WHY MAKE THE CHANGE?

BENEFITS TO YOU AND YOUR PATIENT

- Pre-agree a treatment plan in advance on the phone or by video call – the ‘new normal’
- Reduce contact with less patient visits where possible
- Manufacture restorations in-house and maximise workflows
- Maintain and manage chair time more efficiently
- Remain cost-effective during challenging economic times

SINGLE VISIT DENTISTRY

Why wait?
